

Radio-TV Interview Report calls Jody Johnston Pawel, LSW, CFLE “America’s Parenting Problem-Solver”

Jody Johnston Pawel, LSW, CFLE is a second-generation parent educator who has trained thousands of parents and family-service professionals the past 25+ years, through her uniquely interactive and informative workshops. As president of Parent’s Toolshop Consulting, she trains and supervises an international network of parent educators who use her award-winning book, *The Parent’s Toolshop*, as a parent-education curriculum. As an internationally-recognized parenting expert, Jody has given over 500 interviews to the media. Radio and TV talk shows, national magazines and newspapers regularly quote her advice. She has also produced over 100 resources, which are available through her award-winning website: <http://www.ParentsToolshop.com>

Jody is a highly sought after speaker for parent workshops, Continuing Education workshops for foster parent and family-service professionals, and a highly-praised keynote speaker for parent and professional conferences.

Jody offers a reliable *universal* parenting plan *anyone* can use with *any* child at *any* age that can be *custom-designed* to fit the *unique* circumstances of *any* situation, family or child to *prevent problems* or find the *most effective* response *in minutes*. She teaches this unique, proven-effective system and its practical language and tools to parents and shows professionals how to use/model these skills in their service to parents or children.
